Christmas Greetings from Police Chief Tina S. Fleming

T'was the month before Christmas and all through the Town, all the citizens where shopping, then homeward bound.

Their treasures were safely out of sight, all locked in their cars, which is parked under a light.

While some stayed at home, all nestled in their beds, and order their treasures from the web.

With no care in the world on delivery day, for their neighborhood watch kept the thieves away.

By taking a few precautions to protect your treasures, your family will have a Christmas beyond measure.

Don't be blinded by all the Christmas bling; always remember if you see something, say something.

As we prepare for the approaching holidays, it's important to stay safe while enjoying time with family and friends. Please remember the following:

- ◆ Be aware of your surroundings
- ◆ Use the "Buddy System"
- ◆ Make arrangements for home deliveries
- ◆ Lock your cars
- ◆ Hide valuables

Cross Walks >>>

As a reminder to vehicular traffic, please use caution when entering the Food Lion parking lot and turning onto Church Street and Morgan Street from Hwy 21. These driveways and roadways cross our Richardson Greenway and many pedestrians frequent it daily. Please make note of these pedestrian crossings and remember that pedestrians have the right of way in these locations. Thank you for helping us to keep our greenways safe!
