

“From the Duck Blind...” Managers Memo

The Declaration of Independence pinned by Thomas Jefferson was not initially agreed upon by most. It took a little while for it to gain support. But it did gain support and look at us now! America the Beautiful in all its glory. We are not a perfect nation by no means. We are blessed to live right here in Troutman, North Carolina Unites States of America. We get to celebrate

or freedoms and independence as a community July 3rd with our parade in Troutman. Our Fireworks that evening at the fairgrounds will be bright and beautiful. On Sunday July 4th America celebrates as a Nation. Let us take a moment to reflect what freedom truly means. I encourage all to be mindful of your neighbors as you celebrate and be careful as we celebrate and extended holiday weekend. If you get an opportunity, please read the poem “Freedom Isn’t Free” by Kelly Strong.

Ron “Duck” Wyatt, Town Manager

Public Works—Sewer Line Jetting

In efforts to maintain and provide a clean sustainable community the Town of Troutman Public Works Department works very hard to insure our sewer system is maintained. July is when the Public Works Department sets time aside to perform these tasks. The procedures used are described below.

Sewer Line Jetting

A state compliance requirement for all sewer system operations is to have an active sewer cleaning program. A sewer cleaning program ensures at least 10% of the total gravity sewer lines within the system are cleaned annually and takes a proactive approach to reduce sewer backups and protect the environment and community. A common technique utilized by municipalities to ensure pipeline maintenance is sewer jetting. This application involves jetting or flushing out the pipelines with pressurized water to push clogs and debris further down or out of the line. This type of maintenance keeps lines clear and flowing smoothly, mitigating the risk of a significant clog occurring. The ability to actively clean sewer lines ensures we continue with our high standard of state compliance records and, in turn, prevents spills that could result in state compliance violations and possible penalties.

As always, do not hesitate to contact us with any issues related to water, sewer, streets, & grounds. If you encounter a water or sewer emergency after hours, we are available 24/7 with our emergency call back program (704-682-3835).

New Employees

Meet our new officers...

Detective Cameron Jones

Detective Cameron Jones was born and raised in Wilkesboro North Carolina. He started his Law enforcement carrier at the Iredell County Sheriff's Office in 2007 as a detention center deputy. Detective Jones worked his way up to a road patrol deputy and was transferred to the Criminal Investigations Division in 2011 as a Detective Sergeant. While in CID detective Jones was assigned to the homicide team and was also a certified Hostage Negotiator.

Detective Jones left Iredell County Sheriff's Office in October 2016 to pursue another carrier and was hired by the Mocksville Police Department in 2018. Detective Jones worked as a road patrol officer and was promoted to Investigator in 2019. Detective Jones worked as an Investigator with the Mocksville Police Department until hired by the Troutman Police Department in May of this year.

Detective Jones has a wife, Christy Jones and also has a step son, Chace who is 14.

Officer Chad Trivitte

Officer Chad Trivitte was born and raised in Mocksville, NC. He lived there his whole life with the exception of a few years. He moved to Ashe County in 2008 and resided there for four years. While living there, he attended Wilkes Community College and earned certification in Basic Law Enforcement Training. After graduation, he moved back to Davie and began his law enforcement career at the Davie County Sheriff's Office as a patrol deputy. He worked for Davie County Sheriff's Office for 6 1/2 years. He is dually sworn and had been working part time for West Jefferson Police Department. for almost 7 years. In 2018, Officer Trivitte left Davie County Sheriff's Office. In 2019, he began his career at Mocksville Police Dept. where he worked as a senior officer and patrol supervisor. He has now been hired by Troutman Police Dept. as a patrol officer.

Officer Trivitte has a wife, Jessica, and three children, Ava (13), Brayden (11), and Tucker (20 months old).

New Parks & Recreation Athletic Facility Technician

We welcome **Zach Little** to the Parks and Rec Department as a part-time Park and Athletic Facility Technician, but he's no stranger to the Troutman community. Having grown up in our town, a graduate of SIHS, Wingate University, and a returning resident, he brings a knowledge and appreciation of our town and recreation that is valued- notably through his tenured success in both playing and coaching sports in youth leagues all the way to the college level. If you see him around the park or greenways, be sure to say hi!
