Annexation petition metes and bounds and mapping requirements

Petitions for voluntary annexation must be accompanied by a metes and bounds description of the area proposed for annexation, prepared by a licensed land surveyor or other qualified professional, as well as a survey map stamped and signed by a licensed land surveyor. The metes and bounds are to be submitted in MSWord so that they may be easily cut and pasted into public notifications and ordinances.

The petition must be accompanied by a map of the proposed annexation area, that contains the following:

- The map submitted is to be prepared by and stamped and signed by a licensed land surveyor.
- Boundaries of the area proposed to be annexed are to be clearly marked on the map, and consistent with the metes and bounds description
- The map is to be submitted both as 24 x 36 inch mylar, and must be reproduceable (ie. contain no colors)
- Map should also be submitted electronically as a .pdf file
- Map title block shall include notation that the indicated area is a proposed annexation into the Town of Troutman, NC
- Map is to show (and label) streets and public rights-of-way adjoining the site
- If it is a proposed contiguous annexation, the current boundaries of the town are to be shown and labelled
- Map is to contain signature line for Planning Director with accompanying statement “This survey map has been accepted to be suitable to accompany a voluntary request for annexation into the Town of Troutman, NC”
